REMARKS

The Examiner's Action mailed on October 20, 2004 has been received and its contents carefully considered.

In this amendment, Applicant has canceled claims 1-4, amended claims 5 and 11-14, and added claims 15-22. Claims 5-22 are pending in the application.

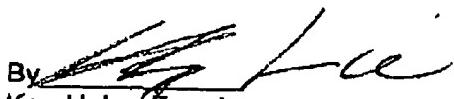

Also the abstract and drawings of Figures 2-6 and 8-9 are amended. These corrections are believed to satisfy the respective objections set forth in the Action to the drawings, abstract and claims.

It is noted with great appreciation that the Examiner considers the subject matter of claims 5-10, and 13 as being allowable. In response, claim 5 has been rewritten in independent, and claims 6-17 depend on claim 5. Moreover, claim 18 includes all the limitations of the claims 1 and 13, and claims 19-22 depend on claim 15. It is requested that these claims be allowed.

It is submitted that this application is in condition for allowance. Such action, and the passing of this case to issue are requested.

Respectfully submitted,

Jack Lin
